

Camera Research Project

DUE DATE: Friday, September 18, 2014

- You will research the camera and write 2 paragraph
 - 1 paragraph describing the camera and it's usage
 - 1 paragraph about the importance of this camera to the history of photography
 - DO NOT PLAGIARIZE. DO NOT COPY AND PASTE. READ AND SUMMARIZE.
 - Include links to the pages you get information from
- You will create a Tackk page.
 - Each Tackk must have 3 visuals
 - Each visual must have a caption that describes it
 - Your Tackk should be neat and visually appealing
- You will turn your project in by the end of the period Friday, Sept 18. Add your link and turn it in.
- You will present your Tackk on **Monday, Sept. 22**
